SIHL

3517
WallGrafX™ Prime Satin 14 mil

PRODUCT DESCRIPTION

3517 WallGrafX™ Prime is a dimensionally stable, self-adhesive polyester fabric designed for solvent, latex, and UV ink systems. Its superb block out quality combined with its bright white surface make it a top choice for the decoration of walls, exhibition stands, furniture, and other advertising applications. WallGrafX Prime, which can easily be applied to smooth and lightly structured surfaces, is both temperature and humidity resistant, making it suitable for both indoor (short/long term) or outdoor (short term) use. Sihl 3517 also carries an ASTM - E84 Class A Fire Certification.
