

# DuraVinyl Single-Step

## Product Description

DuraVinyl Single-Step is a multi-purpose textured film. It is a one-step solution for indoor floors, walls, and countertops. Create an excellent scratch-resistant image that requires no protective laminate. This product is a safe and efficient floor and wall graphic solution due to its certified slip-resistance, direct printability, and residue free removability.

## Uses

DuraVinyl Single-Step is an ideal solution for the following applications:

- Indoor floor and wall advertising
- Tradeshows
- Countertop displays
- POP displays

## Advantages

- Little to no adhesive residue on removal
- Sticks to almost any surface
- Easy to apply and remove
- Long durability due to composition of PVC and fabric
- One-step process - no laminate required
- Slip resistance certified (ASTM D2047, C1028)
- Universal printability - UV, solvent, eco solvent, latex
