

# HardGuard White

## HardGuard White

HardGuard White is a white thermal laminating film with low melt adhesive designed for use as a backing film.

## Uses

For posters, tradeshow graphics, and POPs where high opacity and flexibility are required, HardGuard White delivers. It offers increased bond strength, consistent quality and when combined with hard-coat thermal laminates, provides a durable end result that won't tunnel or delaminate.

## The Quality Media Difference

At Quality Media, we find the best solutions for your mounting and laminating needs and bring them to you... on time and on budget. So you never have to work about waste, reprinting, or relaminating.

5 MIL Size	Catalog #
