

# Lintec Protect Satin Laminate

## Lintec Protect Satin

Lintec Protect Satin is a 2-mil satin polyester with a scratch resistant hardcoating that provides excellent clarity and dimensional stability. Unlike many matte overlaminates, the satin finish maintains the integrity of the print and does not turn black colors gray. The satin finish will also reduce undesired glare from sunlight and artificial light.

## Features and Benefits

- Scratch resistant
- Excellent clarity and dimensional stability
- High temperature and humidity resistance
- Reduces glare from sunlight and artificial light
