

DuraJet EconoBlock 8 Mil

Product Description

DuraJet EconoBlock is a matte-finish, rigid and opaque, white PVC film. It provides an economical solution for 2-sided printing applications that require a smooth surface.

Uses

- Two-sided banners
- Two-sided window displays
- Indoor and short-tern outdoor displays
- Push/Pull Signs

Advantages

- Excellent opacity for two-sided printing
- Exceptional tear strength
- Superior lay-flat characteristics
- Superior dimensional stability for color registration
- Features a special UV coating treatment for optimal print results
- Combine DuraJet EconoBlock with one of our removable clear adhesives to create brilliant 2-sides window graphics.
- Compatible with UV curable printers
