

# HardGuard Dry Erase

## HardGuard Dry Erase

HardGuard Dry Erase is an oriented polypropylene film with a gloss finish and a copolymer adhesive specifically engineered for high speed, single-sided lamination.

## Uses

Customized presentation boards, maps, planners, and more... HardGuard Dry Erase is the medium of choice for all your write-on applications.

## The Quality Media Difference

In today's fast-changing marketplace, we know how important it is to have a reliable source. Not just of products, but of knowledge and information. When you choose Quality Media, you get someone who's as committed to the quality of your end product as you are. Someone who know the options inside and out, and can help you choose the one that's best suited to your needs.
