

InstaShield GWP

InstaShield GWP

A 2 mil gloss white polypropylene coated with a permanent pressure sensitive acrylic adhesive.

Uses

This film is used to make clear or transparent graphics translucent for backlit applications.

The Quality Media Difference

When you choose Quality Media, you get the convenience of five fully-stocked distribution centers in Connecticut, Florida, Georgia, Minnesota, and Texas – allowing for same-day shipping and next-day shipping on most orders. If your products are ever backordered, we give you the option of choosing an alternative at no additional cost.
