

InstaShield Gloss 10 Mil

Product Description

A 10 mil polyester film coated with a super-clear acrylic solvent permanent adhesive. When extra-glossy pop is required for display applications, InstaShield Gloss delivers. It's the clearest of all laminating films, resulting in enhanced color and reflectivity.

Uses

This product is ideal for the following applications:

- Fine art prints / gallery exhibits
- Retail / Showroom / POP displays
- Architectural signage
- Decals

The Quality Media Difference

Because we specialize in large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper ink, adhesive, and laminating film you're using are the best possible match – not just for each other, but for the end product.
