## InstaShield UV Matte

InstaShield UV Matte is a top-quality, time-proven, matte finish vinyl film.

## Uses

A proven performer, InstaShield Matte eliminates reflections and provides a softening effect to color graphics – making it ideally suited for television backdrops and other high-glare applications. Its acrylic solvent adhesive also makes it a good choice for outdoor applications.

## The Quality Media Difference

Because we specialize in a large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper, ink, adhesive, and laminating film you're using are the best possible match – not just for each other, but for the end product.
