

Quality Value Gloss

Quality Value Gloss

Quality Value Gloss is a 3.5-mil clear flexible intermediate vinyl overlamine film. This premium film and adhesive feature a thinner, more economical 50lb liner. Consistent quality vinyl and smooth liner help eliminate silvering associated with most low cost laminates.

Uses

- Tradeshow Displays
- POP Displays
- Window Graphics

The Quality Media Difference

Because we specialize in a large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper, ink, adhesive, and laminating film you're using are the best possible match – not just for each other, but for the end product.
