

# Quality Value Matte

## Quality Value Matte

Quality Value Matte is a 3.5-mil clear flexible intermediate vinyl overlamine film that is an ideal solution for protecting and enhancing images and graphics.

## Uses

Quality Value Matte eliminates reflections and provides a softening effect to color graphics – making it ideally suited for television backdrops and other high-glare applications. Its acrylic solvent adhesive also makes it a good choice for outdoor applications.

## The Quality Media Difference

Because we specialize in a large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper, ink, adhesive, and laminating film you're using are the best possible match – not just for each other, but for the end product.

Size	Catalog #
38" x 150'	QVLM38150
51" x 150'	QVLM51150
51" x 400'	QVLM51400
