

DuraVinyl 200 Series

Adhesive Backed Film

DuraVinyl 200 Series are calendared vinyl films specially formulated for digital printing with solvent, UV curable and latex inks. They are offered in gloss white, matte white and clear finishes with permanent, removable and ultra low tack adhesives. DuraVinyl 200 Series is an outstanding choice for a variety of applications including floor / window graphics, trade show / point of purchase displays and wall decals.
