

Adhesive Backed Films - 400 Series

DuraVinyl 400 Series are calendared vinyl films specially formulated for digital printing with solvent, UV curable and latex inks. They are offered in gloss white, matte white and clear finishes with permanent or removable adhesives. DuraVinyl 400 Series are premium 5 year outdoor durable films. They feature a 90# Air Flow release liner. The Air Flow release liner embeds channels into the adhesive for easy application on to any surface without bubbles and wrinkles. DuraVinyl 400 Series is an outstanding choice for a variety of applications including barricades, window graphics, trade show and point of purchase displays.
