

INK COMPATIBILITY

2512 Design2Wall non-woven wallpaper is the newest option in custom interior decoration and design. 2512 Design2Wall provides dimensional stability, exceptional lightfastness, PVC free, and flame-retardant qualities that are key aspects to a successful wallcovering design.

SiHL's 2512 provides a soft suede feel and is produced with our high performance coating creating excellent color photo reproductions. SiHL 2512 also carries an ASTM - E84 Class A fire certification. 2512 Design2Wall must be applied with a standard wallpaper paste.
