

INK COMPATIBILITY

3241 DisplayPRO LU11 11mil Latex C2S Film is a stunningly versatile and effective POS/POP print media designed especially for Latex printers. It has been constructed with high quality tear resistant PET, and stabilized to be heat and humidity resistant ensuring predictably consistent quality imaging regardless of geographic location or climate.

Surface treatment ensures an exceptionally low glare surface. DisplayPRO LU11 11mil qualifies as a class one recyclable product. Due to the exceptional durability, it can be used outdoors, in roll-up banner stands, as free hanging signage, and so much more. DisplayPRO LU11 11mil also has the added benefit of printing double sided if needed.
