

# DuraJet Clear Vinyl Film 10 Mil

## Product Description

This 10mil clear rigid vinyl works well in applications that require a clear, non-adhesive film that is pliable and will not tear or wrinkle.

## Applications

- Compatible with large format UV printers, Litho (conventional or UV), and Screen Printing
- Used to create clear hanging signs
- Can be used to create a clear barrier when used in banner stands, aluminum snap profiles, and other fixtures

## Benefits

- Moisture resistant
- High puncture and tear strength
- Water and oil resistant
- Acid and alkali resistant
- Can be die cut, welded, glued, folded , embossed, laminated or thermoformed
- Superior dimensional stability
- Flame resistant and self-extinguishing
