

ViewBond R

Product Description

ViewBond R is a removable version of Viewbond optically clear adhesive. When a true optically clear adhesive is required for mounting to glass and windows - ensures clear, distortion free presentation and clean residue free removal.

Uses

Use ViewBond R for mounting to glass for a distortion free premium quality installation. Can be installed using the “wet method”.

The Quality Media Difference

Quality comes first at QMLS. We find the best solutions for your mounting and laminating needs and bring them to you... on time and on budget. So you never have to worry about waste, reprinting, or relaminating.
