

DuraVinyl 451

Premium matte white polymeric vinyl designed for screen-printing and large-format solvent, eco-solvent, latex, and UV printing. Offers moderate conformability for both flat and curved surfaces.

Uses

- Multi-color labels and decals
- Point-of-purchase displays and signage
- Architectural graphics
- Product identification and branding
- Vending machine wraps

Advantages

- Vibrant, professional matte finish
- Long-term outdoor durability (up to 5 years)
- Strong adhesion with medium-tack permanent acrylic
- Smooth application on curved or irregular surfaces
- Reliable print performance across multiple print technologies

Printer Compatibility

Specially developed for solvent, eco-solvent, latex, UV, and UV Gel on large format printing.
