VorTex Soft™ T230

VorTex™ Soft T230 is a 6.78 oz., 100% polyester knitted fabric treated specifically for dye - sublimation transfer, UV and Latex printing. VorTex Soft T230 is the light weight version of our VorTex Heavy T340. The product is predominantly used for banners and table throws due to its optimally smooth print surface and soft drape characteristics. VorTex Soft T230 is wrinkle resistant and fire resistant. Available in 126" widths.
