

Receive a 25% trade-in on your vertical cutter when you replace with it with the #60380 65”H SteelTraK

Keencut SteelTraK is rated the #1 vertical cutter in the world

Flawless cuts, ease of use and safety-features make it your best investment for saving time and money. Plus, it's backed by a 5-year warranty on parts* and 20-year on the bearings used in the cutting head.

* (except blades, cutting wheels and site line strips)

Keencut 65” SteelTraK Vertical Cutter - Model #60380

Act Now on this limited one-time offer:
U.S. List Price is \$4,250.00
Your net cost is **\$3,187.50** with trade-in.

Here’s how to order in 3 easy steps:

1. E-mail the serial number on your SteelTraK or Excalibur to information@go-foster.com. If you have another manufacturer’s brand of vertical cutter, please contact Foster to see if it is covered in this promotion.
2. Ship the cutting head of the trade-in cutter to:
Foster Trade-In Program
204B Progress Drive
Montgomeryville, PA 18936

3. Place your order for a new #60380 65”H SteelTraK with your Quality Media Area Sales Manager, or call (203) 281-4726 and ask for Todd McAndrews

SteelTraK Model #60380 is in stock for immediate delivery

Terms & Conditions:

1. The 25% trade-in allowance is off the U.S. published list price of \$4,250.00.
2. One vertical cutter is traded in for every new order of the #60380 65”H SteeltraK.
3. The trade-in offer does not include any other products or special pricing you’ve negotiated with Quality Media and Laminating Solutions.
4. Qualifying trade-in cutters include the SteelTraK, Excalibur, plus selected models from other manufacturers. For details of other qualifying cutters, please contact Foster.
5. Order ships only upon receipt of serial #, trade-in cutting head and firm purchase order from your dealer. Remember to email Foster the tracking # of the trade-in cutting head.
6. Contact Quality Media and Laminating Solutions for shipping.
7. This offer is valid on purchases from February 1st, 2019 through April 30th, 2019. All trade-ins to Foster must be completed by May 31st, 2019.
