

## Duravinyl 456

DuraVinyl 456 is a flexible, 3.1 mil, bubble free, blackout vinyl with a removable, solvent, gray adhesive. Duravinyl 456 offers equal or superior performance to other premium calendared and cast vinyl for wall applications at a more affordable price.

DuraVinyl 456 has an ASTM E84-18 class A fire rating

## Uses

DuraVinyl 456 is an ideal solution for the following applications:

- Interior wall graphics
- Trade show displays
- POP displays
- Window graphics
- Flat transit requirements
- Mounting to boards

This flexible vinyl conforms to most wall surfaces and will adhere to eggshell paint surfaces.

For ease of application, a Quality pressure sensitive laminate is recommended. DuraVinyl 400 series is also available with permanent adhesive and gloss white surfaces.

## The Quality Media Difference

We find the best solutions for your mounting and laminating needs and bring them to you... on time and on budget. So you never have to worry about waste, reprinting, or relaminating.
