

Product Description

FloorShark is a unique, one-step floor graphic solution for indoor applications. This material is PVC-free and strongly tear resistant. It will withstand everything from pallet trucks to stiletto heels. With its specifically developed adhesive, it is easy to apply and reposition while applying.

Uses

FloorShark is ideal for all smooth hard floors from concrete to tiling.

FloorShark is perfect for the following locations:

- Retail stores
- Supermarkets and shopping centers
- Airports
- Convention centers
- Schools, colleges, churches

Advantages

- Unique sharkskin coating offers a high R10-certified slip resistance
- One-step solution. No need for laminate
- Direct print, peel, and apply
- PVC-free and strongly tear-resistant
- Will not stretch or become distorted
- Multiple panels align perfectly. No shrinkage
- Certified BFL-s1 fire rated

Ordering
