

TECHNICAL DATA SHEET

ProTex™ Type II PVC Free Commercial Wallcover

ProTex™ Type II is a 100% PVC-free, 18-mil, commercial wallcovering. It combines a smooth or soft suede textured, coated nonwoven fabric with a traditional Osnaburg scrim backing to provide a durable, dimensionally stable, and high strength fabric. ProTex™ is engineered to be printable on either latex, solvent, UV or UV gel printers. It offers a stable and optimized white print surface that provides a brilliant canvas for exceptional color fidelity and crisp clean imaging with a soft, true matte finish. The product is Class A Certified (ASTM-E84).

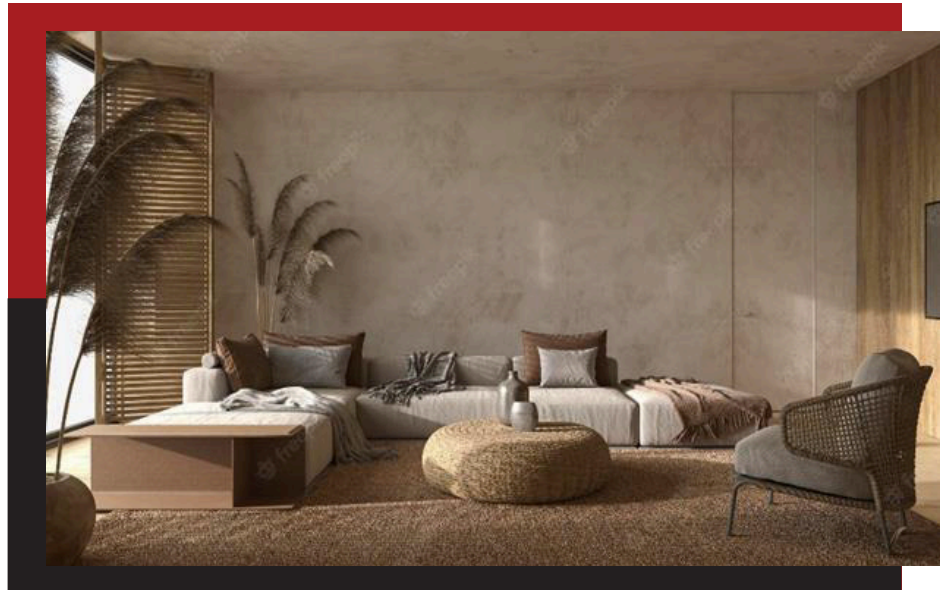

European REACH standards
Lacey Act compliant
RoHS compliant
Prop 65 compliant

No Phthalates

ISO 9001: 2015
