

Viewbond XXL - Heavy Coat

Viewbond XXL is an optically clear polyester film that is coated on both sides with a heavier coat weight of adhesive. This product has 25% more adhesive on each side when compared with Viewbond. The thicker mass of adhesive reduces or eliminates silvering when second surface mounting to clear substrates. This film is designed to provide exceptional clarity and dimensional stability.

Uses

- Fine Art Mounting
- Window Graphics
- Backlit Graphics
- Clear Films
- POP Advertising
- Architectural Displays

Advantages

- Reduces silvering
- Resistant to chemicals and humidity.
- Can be used on slightly textured surfaces.
